INTRODUCE ZIRCON

ZIRCON - Create and Produce the Hidden

Established in 2025, ZIRCON is born to unite the latest interior design style and trending to door hardware. The ZIRCON brand is focus on providing high quality, newest trending minimalist hidden door hardware for high-end projects, door factories and door hardware traders.

Jamie
General Manager

Brand Story

Found by Mr. Huang in 2010. Huang built a door hardware factory - Zhongshan ZHIGAO Hardware Manufacture Co.,Ltd for door knobs, door handles and iron mongery. Serving to door hardware shops all over China.

From 2020, ZHIGAO Hardware Started to export its door hardware worldwide in OEM,ODM production.

From 2025, with new generation management, Jamie leads to establish an exclusive brand ZIRCON to supply high-end, superb quality hidden door hardware to the latest trend interior doors.

Vision

“Create the Hidden”

ZIRCON is born to create the hidden for hidden, flush to wall interior doors. Supplying to all interior door factories, projects and door hardware shops.
